May 1 – May 31

CARD 10 OF 12

The Fairview Boulevard

4th & Fairview, Minneapolis

The Fairview Boulevard

Scan to browse the shelf

Anyone, anywhere, anytime.
No code needed.

Setting up

1. Cut the cards apart along the hairlines. Keep them in order.
2. Put the current month's card at the shelf, where someone has to come close to scan it.
3. On the first of each month, swap in the next card.
4. While you are there, look at the shelf and what is on it.
5. Mount the shelf code where people will see it.

Mount the browse sign in a sleeve. Never laminate or engrave it — a hosting arrangement can end, and this sign must stay replaceable.

Take something. Leave something. Scan to leave.
